

How To Create Chore Puzzles for One Child

1. In parent mode, select a profile OR click on the "Chores" button within a profile.

2. Select "Chores" in the navigation bar (if you already navigated to "Chores" in the previous step, move on to Step 3).

3. Click the (+) button in the right-hand corner.

4. Choose from one of our pre-made puzzles or create your own!
