

# How to Use Check List Chore Puzzles

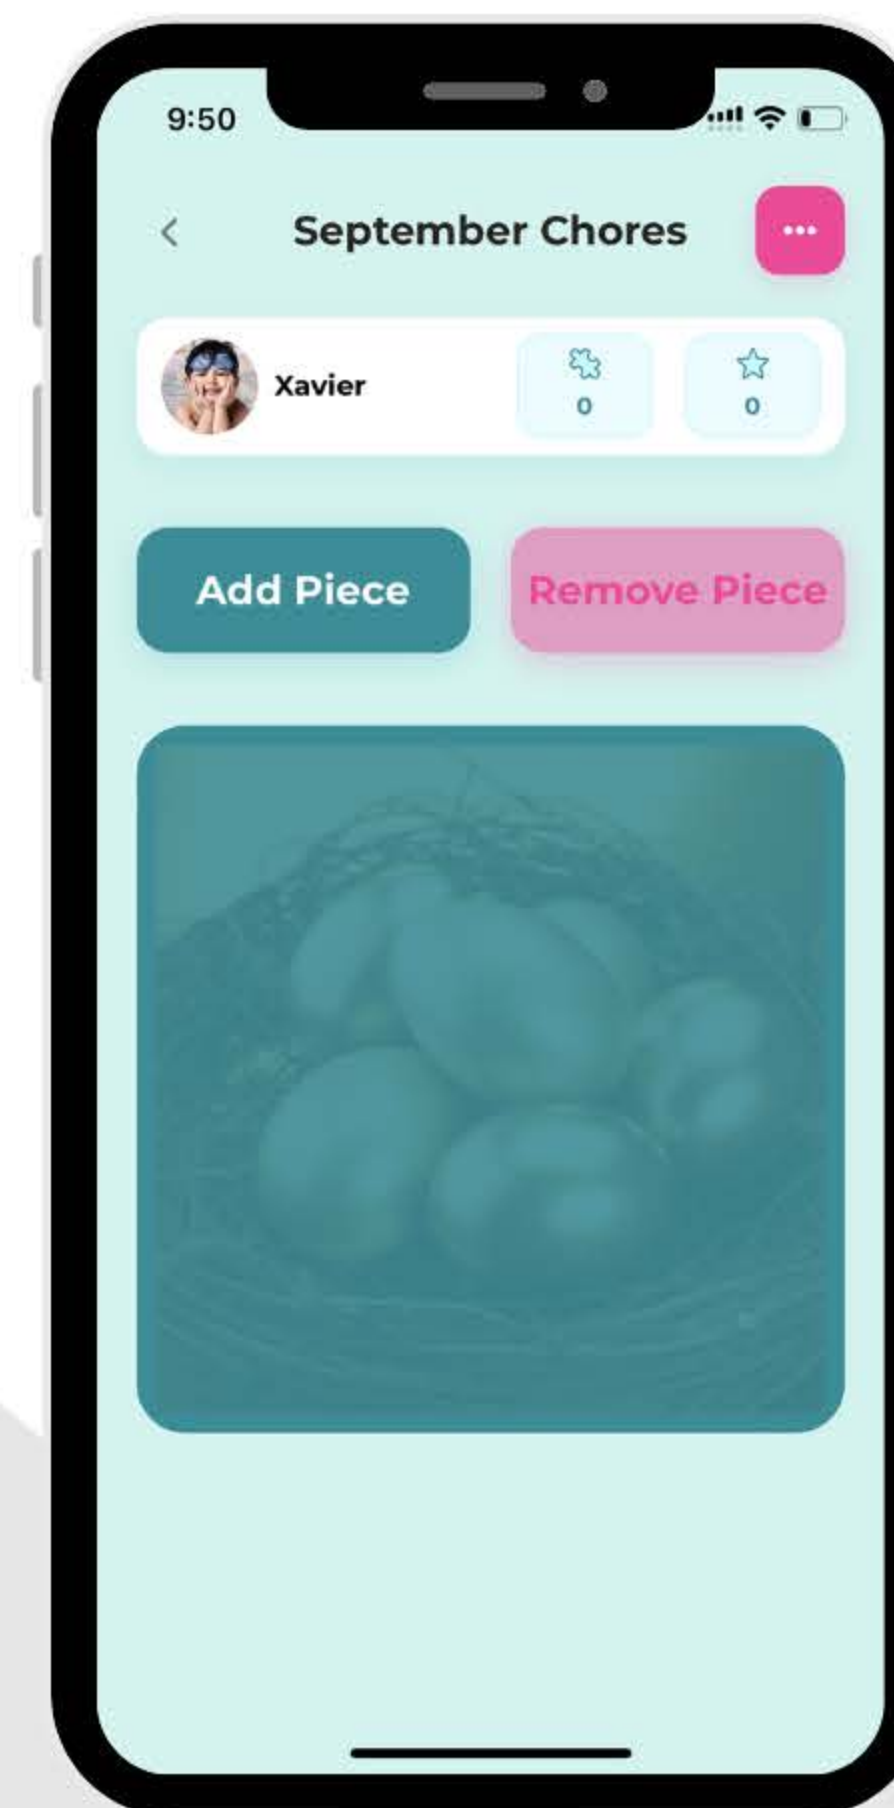

1. When creating a puzzle, select “Check List Chore Puzzles.”

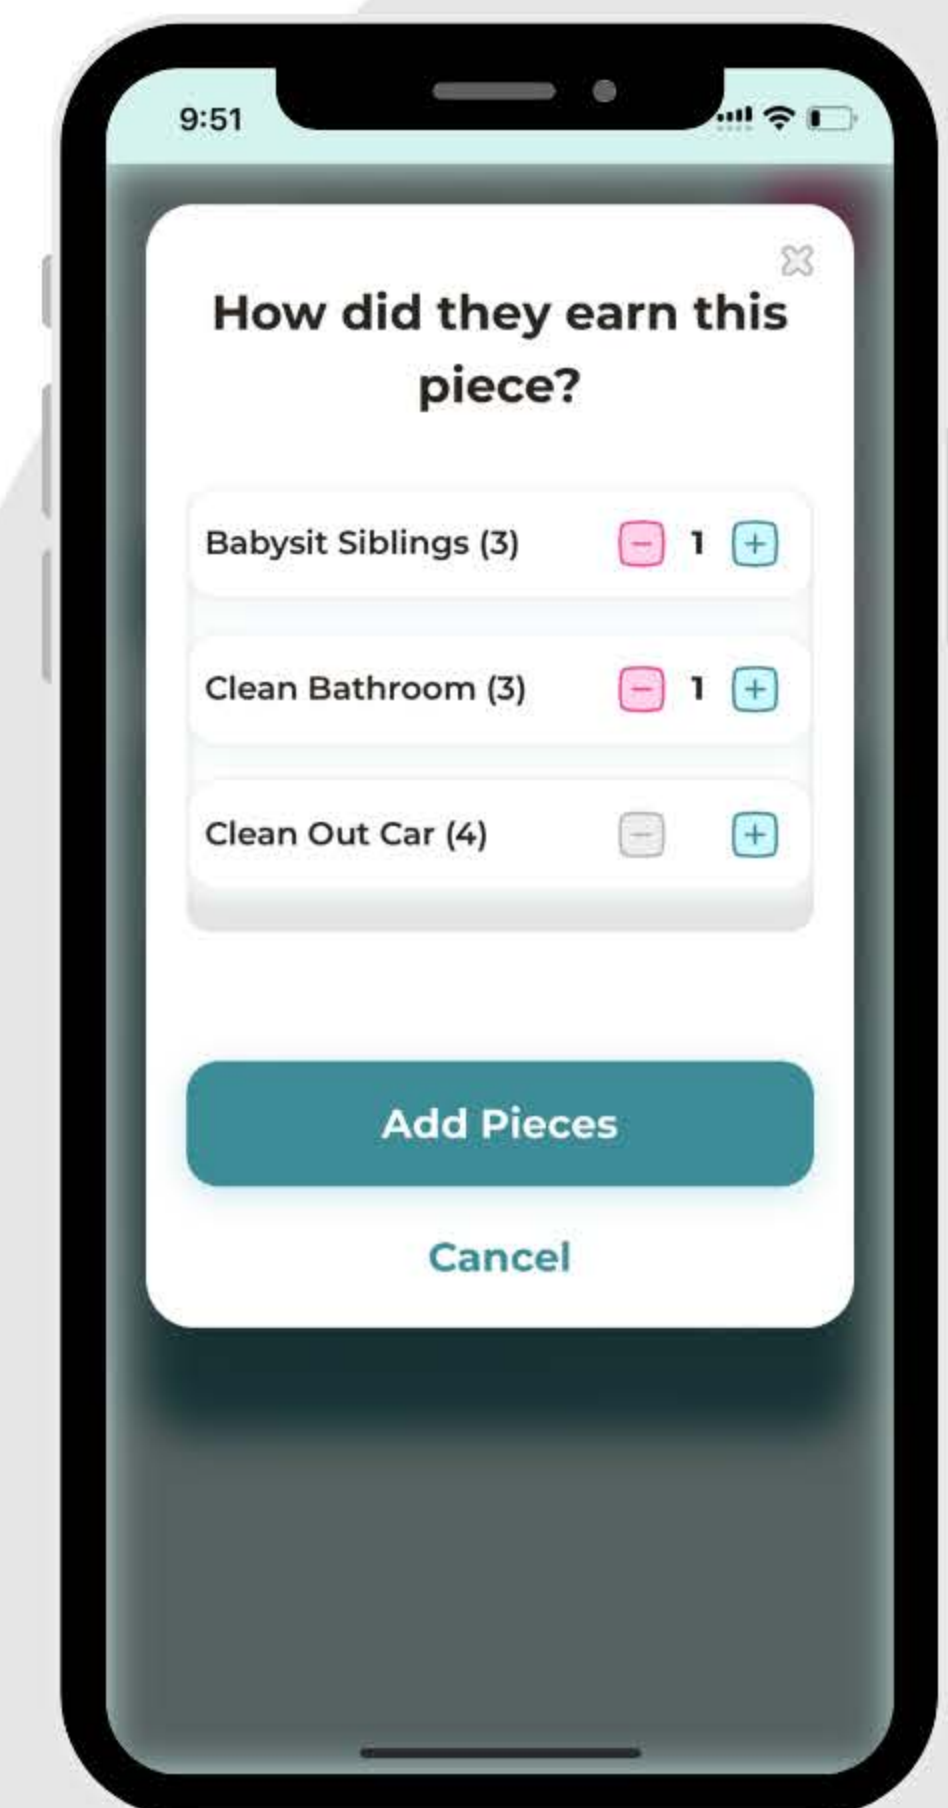

2. Choose a puzzle name, a child, and how many chores to include in the puzzle (one child per Check List Chore Puzzle). Click “Next.”

3. Select chores to make up the puzzle. Click “Next.”

4. Kids collect pieces as they accomplish chores.

5. Kids finish the puzzle by completing the right number of chores!
